The Company

ARCHIS was established in the year 1977 and is a leading and trusted brand of architectural door hardware engaged in the manufacturing and imports of a wide range of products such as Mortice Handles, Locks, Cylinders, Cabinet Handles, Door Handles, Door Hardware, Door Closers, Floor Springs, Hinges, Tower Bolts, Door Stoppers, Seals, Door Accessories, Card Locks for Hotels, Sliding Fittings, Shower Hinges, Glass Door Fittings, Patch Fittings, Spider Fittings, Balustrade Fittings, Undermount Slides, Slim Box, Lifters, Profiles, Modular Kitchen & Wardrobe Accessories, etc. With Head office based in New Delhi, ARCHIS has pan India presence and beyond for its products.

Pionering in Hardware the company that have the big dreams and vision.

The company was founded by Mr Sudhir Batra, who completed his mechanical engineering from Delhi College of Engineering and pioneered the art of anodising. He launched two brands by the name of ARCHIS and CLASSIC under which he began the manufacturing of superior quality aluminium architectural hardware products which were very well received in the market. The business diversified into imports of latest high quality designer products from Italy, Spain, Germany and China in the early 1990s. ARCHIS introduced in India high quality door handles made of Zamak which raised the quality standards of handles while also balancing it with increased affordability.

ARCHIS Derives from the word **ARCHitectS** and has achieved great respect and trust over the years for its high quality products from its customers. With the passion to serve our customers, we always strive to maintain the highest standards of quality and durability. With long time experience in the field and fruitful endeavours of our in house design and R&D Team, we have made great progress. We keep innovating and perfecting our products to make them modern, unique and up to date with the latest technology and styles to provide a wide variety of products to meet a range of different customer requirements.

Driven by Clean Energy

During the constant upgradation of our manufacturing capabilities, we have also taken care to conserve the environment. Our rooftop Solar Panels are Generating more than 200KW of clean energy at our manufacturing plant in Bhiwadi, Rajasthan. Apart from operating efficient Dust Collectors and Effluent Treatment Plant with Zero Discharge, we are using recyclable materials and constantly minimizing use of Plastics to voluntarily reduce our carbon footprint.

The Products

In the last 46+ years "ARCHIS" products have won the hearts of its clients and they have used them safely & widely. We are committed to continue to maintain the highest standards of quality, customer satisfaction and upward momentum in future and hence the tagline –
